

The Flaky Pastry is a new all-vegan cottage food bakery. We have a booth space at The Frozen Flamingo Market (3400 Spenard Road, Anchorage AK 99503) and will be there every Saturday in February from 11:00am-3pm (or until we sell out) serving up all our Vegan Chef Challenge specials. Follow us on Instagram @[theflakypastry_ak](https://www.instagram.com/theflakypastry_ak) or Facebook @[The Flaky Pastry](https://www.facebook.com/TheFlakyPastry) for announcements about other dates and times when we might pop-up, as time allows.

Cherry Croissant • \$5

The Flaky Pastry's signature vegan croissant with all its buttery layers filled with a homemade cherry filling. It's basically a croissant cherry doughnut!

Pain Suisse • \$6

Croissant dough filled with a vanilla pastry cream, topped with chocolate chips, and then baked till golden and flaky. This decadent pastry has gone vegan!

Caffe Latte Palmier • \$2 / \$5 for 3

This is a twist on a classic! Homemade vegan puff pastry folded into a crisp buttery cookie covered in a coffee flavored sugar.
