

APRIL VEGAN CHEF CHALLENGE

MENU

01 Gozito

A Latin classic reimaged! Our take on the Gansito brings on all the nostalgia vibes. Our signature sponge layered with our house made strawberry jam, and velvety buttercream, all dipped in a chocolate shell.

02 Pizza Toasty

Our pizza toasty is a take on a childhood favorite. A short crust pastry pocket filled with savory "beef", Mozzarella, and red pizza sauce, brushed with a rich garlic, basil oil glaze.

03 Starry Bite Brownie

Decadente fudgy brownie, topped with a rich chocolate ganache and a galaxy of colorful, crunchy chocolate candies. A 'cosmic' taste that's out of this world

04 Sunny Buns

A beautiful golden bun with a spiced center and a signature sweet sugar glaze. It's light, it's airy, it's a little ray of sunshine!
